Mapleton Public Schools 2020-2021 Budget Executive Summary

This executive summary is intended to provide a quick reference to the many numbers that are contained in the district budget. The summary is divided into several sections. First is a series of definitions that are necessary to understand the budget document. Second is a brief analysis of the economic environment that this budget is presented in. Third is a brief discussion of each of the funds within the budget. Finally, the numbers are presented by fund.

The Administration presents this information both to comply with its legal requirement and share with our stakeholders the financial workings of the district. We look forward to any questions that this document may bring up.

Definitions

School district budgets can be very overwhelming documents. There are a variety of terms that are used that need to be understood for stakeholders to effectively navigate this document.

<u>Fiscal Year:</u> The fiscal year is the time period in which the identified revenue is collected, and expenses incurred. The fiscal year in this document begins on July 1, 2020 and ends on June 30, 2021.

<u>Fund:</u> Accounting structure used to collect revenue and report expenditures subject to the restrictions established by State or Federal law.

General Fund: The primary operational fund for Mapleton Schools. Revenue sources include local property taxes and state aid. Expenses include salaries, benefits, supplies, technology, maintenance, custodial services, transportation.

Risk Management Fund: The operational fund used to report payments for property and liability insurance premium, and self-fund claims that fall below the district deductible. General fund transfers support the expenses in this fund.

Colorado Pre-school Program Fund: The operational fund for the Mapleton pre-school program. Revenue sources include tuition and state aid. Expenses include salaries, benefits, supplies for the preschool program.

Student Nutrition Fund: The operational fund used to report the district's student nutrition program. Revenue collected in this fund is from parents and students paying for lunches and USDA reimbursements. Expenses include food, supplies, salaries and benefits of student nutrition staff.

Grant Fund: The operational fund used to report all Federal, State, and private grant funds. The revenue supporting this fund comes from Federal, State, and private grants

such as Title I, Gifted and Talented, Walton Family Foundation. The expenses reported in this fund are dictated by the specific terms of the various grants recorded in the fund.

Student Activities Fund: The operational fund used to report the various co-curricular and extra-curricular clubs and programs offered in the district. Revenue collected includes student fees and fund raisers. Expenses are directly associated with the events the various organizations participate in.

Bond Redemption Fund: The operations fund used to report the accumulation of the tax paid to repay bonds issued by the district. The expense in this fund is the principal and interest payments on those bonds.

Capital Projects Fund: The operations fund used to report major construction or renovation projects funded by bond proceeds.

Capital Reserve Fund: The operational fund used to report payments on the district COP's at Skyview and Broadway campus. Used also to fund major capital purchases such as vehicle replacement, building maintenance projects not funded through bond proceeds, like HVAC upgrades, parking lot renovations, furniture replacement. General fund transfers support the expenses in this fund.

Economy

The 2020-2021 budget is being presented in possibly the most uncertain economic environment in a generation. January of 2020 opened with the United States in an economic expansion and the State of Colorado anticipating budget surpluses to use to expand state programming for the 2020-2021 fiscal year. Many thought that the end of the Great Recession had arrived.

March of 2020 brought the Coronavirus pandemic. The response to COVID-19 forced the entire world into global shutdown. Surpluses quickly became deficits; forecasts have continued to be revised. The United State Congress has passed three stimulus packages totaling 3 Trillion dollars with a fourth under consideration.

The Colorado General Assembly has had to struggle to weigh all of these economic factors and the additional uncertainty associated with re-opening the state. They did in the final day of the session approve a School Finance Act. The estimates effecting Mapleton are summarized below:

I) Enrollment: Mapleton enrollment after the 19-20 October count was a total of 9134 students. 2277 enrolled at Connections Academy and 6857 enrolled in the Mapleton system. The state model is based on an estimated enrollment of 8733.

- 2340 in the Connections Academy program and 6393 in the Mapleton system. This is a very conservative estimate.
- II) **Per Pupil Allocation:** The per pupil allocation has been reduced by 5%. The PPF after the Budget Stabilization Factor for 19-20 was 8448.76. The factor for 20-21 is 8028.27 for Mapleton Schools. The Connections Academy factor is different.
- III) **Budget Stabilization Factor:** The budget stabilization factor has been increased by 52%. The Budget Stabilization factor for 19-20 was 5,660,084. The 2020-2021 factor is 11,744,891.
- IV) **Local Tax Revenue:** The local tax revenue for property taxes was increased by 2.5%, and specific ownership taxes was increased by 3%.

Budget Funds

The table below provides a summary of the budget for the Mapleton Public schools. This table includes all nine funds.

Fund	Revenue/Transfers	Expenditures	Appropriation of
	from General Fund		Beginning Fund
			Balance
General Fund (10)	\$80,934,909	\$86,046,952	\$5,112,043
Risk Mgmt. Fund (18)	\$809,717	\$1,297,493	\$487,776
Pre-School Fund (19)	\$3,561,773	\$3,561,773	
Student Nutrition (21)	\$3,013,799	\$3,388,574	\$374,775
