POLICY: Annual Audit, Policy DIE

REPORT TYPE: Incidental

SUBJECT: Draft Audit Report FY 2018

Policy Wording: In accordance with state law, all funds and accounts of Mapleton Public Schools shall be audited at least once annually...

Policy Interpretation: This policy is interpreted to include updates to the Board on the annual audit.

Report: Local Governmental audit Law require Colorado local governments to have an annual audit of their financial statements (C.R.S. 29-1-601 et seq). POLICY: Funding Proposals, Grants, and Special Projects, Policy DD

REPORT TYPE: Decision Making

SUBJECT: Request to Accept Grant Funds – 2018 Adams County Open Space Grant –

Explore Elementary

Policy Wording: Policy DD: Funding Proposals, Grants and Special Projects encourages the District to pursue all available sources of funding consistent with achieving the District's objectives.

Further, the policy stipulates that District administration must formally seek Board approval before accepting supplemental or special project funds if the amount is \$50,000 or greater.

Decision Requested: District administration is requesting Board approval to accept \$269,500 from a recently awarded 2018 Adams County Open Space Grant. The funding will support the planning, design, implementation and construction of an outdoor classroom, landscape, irrigation, pathways and signage at Explore Elementary's proposed outdoor learning space.

Report: The grant funds from Adams County Open Space will help support the proposed outdoor learning space at Explore's new school building on 104th Avenue and York Street in Thornton. Explore's proposed learning space will include a range of recreational experiences, comprised of active and passive play areas, to be available to all Mapleton students and community members.

Funds from the Adams County Open Space Grant will support the passive, play-based and nature-based learning area, maximizing the student's accessibility to the outdoors. The District's match of \$180,000 will focus on the active play areas within the park, including the preschool playground equipment and elementary playground equipment. The proposed project will closely align with the schools Expeditionary Learning Model, as it will encourage resource conservation, stewardship, outdoor recreation and discovery.

District administration recommends approval of this grant.

SUBJECT: Request to Accept Grant Funds – 2018 Adams County Open Space Grant –

Welby Community School

Policy Wording: Policy DD: Funding Proposals, Grants and Special Projects encourages the District to pursue all available sources of funding consistent with achieving the District's objectives.

Further, the policy stipulates that District administration must formally seek Board approval before accepting supplemental or special project funds if the amount is \$50,000 or greater.

Decision Requested: District administration is requesting Board approval to accept \$168,839.50 from a recently awarded 2018 Adams County Open Space Grant. The funding will support phase two of Welby's Outdoor Learning Park.

Report: Phase one of the Welby Outdoor Learning Park project consisted of master planning and designing the site. Mapleton staff worked with the National Parks Service as facilitator to bring together 20 partner agencies to design landscape, irrigation, demonstration gardens, a treehouse complex, signage, and a history walk to showcase the natural and human built habitat. The group identified numerous ways to encourage full use of the Learning Park by students and community. The District has now secured funding for phase two of the Learning Park project from the 2018 Adams County Open Space Grant program. Phase two will focus on the construction and implementation of the phase one design.

Welby's Outdoor Learning Park will closely align with the school's Expeditionary Learning model, as it will serve as an outdoor resource for students, staff and community members, and continue to support educational efforts that engage citizens in their role as stewards of the land's natural and cultural resources.

District administration recommends approval of this grant.
